

**CITY OF SAN DIEGO
OFFICE OF COUNCILMEMBER RAUL A. CAMPILLO
SEVENTH DISTRICT**

MEMORANDUM

DATE: August 26, 2021
TO: Gene Matter, Assistant Director, Transportation Department
FROM: Councilmember Raul A. Campillo, Seventh Council District *RAC*
SUBJECT: City Council Prioritization of FY 2022 “Sexy Streets”

Thank you for the opportunity to share my priorities for the FY22 Citywide overlay projects. Replacing and repairing aged infrastructure is the highest priority among District 7 residents, according to a survey that my office conducted to solicit input on the FY22 Proposed Budget earlier this year. Quality road repairs is an important aspect of infrastructure, and I appreciate the Mayor and the Transportation Department requesting Council prioritization of streets with the most wear and tear in District 7.

As part of the below list of priority streets, I ask that staff fully evaluate the possibility of incorporating Complete Streets elements in order to ensure walkability and safe modes of transportation for all San Diegans; including pedestrians, bicyclists, transit-users, and individuals with disabilities. Should input be requested in terms of where streetlights, sidewalk repairs, increased tree canopy or other multi-modal enhancements can be incorporated, my office stands ready to assist.

Please see below for my list of priority streets, and if you need further information, please contact Senior Policy Advisor, Sanna Loando, at (619) 510-6889 or SLoando@sanidiego.gov.
